Sign up for Maple Weekend!

Massachusetts Maple Weekend is the third weekend in March. Sugarhouses will be open to the public for tastings, tours and demonstrations, restaurants will feature maple products on their menus, and Mass Maple will advertise the events widely. This is a great way to attract the public to your sugarhouse, teach them about sugaring, and encourage them to purchase your maple products. Any member sugarhouse is welcome to participate. To do so, please use the form below to indicate what days and hours you will be open to the public, and what activities you will offer. Your listing will be published on a special page on the Mass Maple website, and that page will be advertised in newspapers and online.

Please repeat last year's listing: _____

or

Saturday hours: _____

Sunday hours: _____

A few sentences about what visitors should expect (tours, demonstrations, tastings, products for sale, sap gathering, sugar on snow, etc.). Please be concise. We reserve the right to edit for length.

If you have contacts at any restaurants that might be interested in featuring a dish with maple syrup during maple weekend, please let us know.

(You can also email your information for Maple Weekend to winton@massmaple.org.)
